The Market is easily accessible from I-435. Exit I-435 from 87th Street and head west to Winchester Street. Turn left (south) onto Winchester and park in the free Civic Center parking garage (free) on your left.

From the ground level, enter the Lenexa City Hall building across from the garage, near the statue of Na-Nex-Se. Once inside the lobby, head to the right (east) through the art gallery to enter The Kitchen. The Kitchen is one level above the Market floor.
